

NEISS

THAT'S NEISS SECCO ROSÉ TROCKEN

Recommended serving temperature: 7-10°C (45 - 50° F)

WINE NOTES

THAT'S NEISS SECCO ROSÉ is a balanced blend sourced from local and classic grape varieties such as Pinot Noir, Dornfelder and Portugieser.

VINIFICATION

We harvest and select exclusively fully ripe grapes for THAT'S NEISS SECCO ROSÉ, delivering roughly 7,500 liters of wine per hectare. THAT'S NEISS SECCO ROSÉ is produced by the saignée method, a process where the grape juice is extracted from the red wine mash before fermentation begins. The must drawn off in this way results in delicate pink hues.

TASTING NOTES

Aromatic red berries, delicate fruit sweetness. A refreshing Secco with a fine bead.
